WELCOME

Auto Vivendi is the UK's leading provider of supercar-related lifestyle services.

As well as operating the world's largest Private Member's Supercar Club, Auto Vivendi provides a range of other services related to the world of supercars. These include a full programme of driving and lifestyle events, a supercar procurement service, supercar transport service, car finance and insurance solutions, as well as professional driver training for both road and track driving.

Quite simply, Auto Vivendi provides unrivalled and financially astute access to a supercar lifestyle, set against a backdrop of a thriving community spirit and a sense of fun which is epitomised in all that we do.

Indulge your passion for supercars with like-minded enthusiasts while sharing unique moments in some of the world's most stunning locations.

Auto Vivendi organises a series of exclusive events which are available to both Club members and non-members alike.

From flying to the world's top motor shows by private jet, to driving supercars to over 200mph along runways, to navigating the corners of the world's best private race circuits on one of our track days, or simply enjoying the journey on our driving tours, we organise and host a vast array of adrenaline and action-packed events each year, many of which are still being talked about by participants years down the line! Our attendees enjoy the finer things in life and we take great pride in being told that our events are some of the best things they have ever done.

If you like living life to the full, please join us.
